The Next Generation High Achievers of the Year Award 2018

Message from Chris MacLeod, President of the Leicester CII...

"I want to drive Leicester's legacy by reinstating the prestigious High Achiever Award based on work, effort, attitude and achievements made throughout.

Your local institute has found sponsors for you to showcase the local talent we have in our Industry and I am a firm believer of recognising and then rewarding our Next Generation.

These will be professionals in your businesses who are likely part of your succession plans, so let me help you by raising their profiles and acknowledging the finalists at this year's Annual Dinner."

Nominate and encourage your staff to apply by completing the forms attached and returning to careers@theiil.org.uk or president@theiil.org.uk by 5th October 2018
