

Carly Dunningham  
President  
Insurance Institute of Liverpool

28<sup>th</sup> January 2019

Dear Carly,

On behalf of all at KIND I would like to take this opportunity to thank you and all the members and guests who attended the Insurance Institute of Liverpool Annual Dinner on Friday for the very kind and generous donation of £2,270 plus Gift Aid. On a personal note thank you for choosing KIND as the nominated Charity for the dinner. It was very good of you and very much appreciated.

This wonderful donation is a great start to our fundraising year and the support, kindness and generosity of those who attended the Dinner is very much appreciated and needed if our work is to continue with those less fortunate children and families from within our community.

I hope that you and all the guests and members of the Institute will be pleased to know that we shall be using your wonderful donation to help fund our 2019 11-week Out of School programme. The Out of School programme provides our children with a wide variety of fun, exciting and educational activities all designed to show them that they and life do have more to offer, that they and life can be different.

As important, it also allows our children to create some wonderful and positive memories of childhood – memories that will stay with them forever. Quite simply, without the support of our friends such as you and the members of the Institute we could achieve very little. However, with your support we can continue to make a real difference in many, many young lives.

I look forward to hopefully meeting you and some of the members of the Committee during the first week of our Out of School programme in February. On behalf of all at KIND and especially the children and families who will benefit from our Out of School programme, may I again thank you and all at the Insurance Institute of Liverpool for your kindness, generosity and support.

With all best wishes,

Stephen Yip  
Chief Executive
