

Certificate of attendance

Equitable Recoupment Right - Mesothelioma Claims

Date
Thursday 9th February 2017

Time
6.00pm - 7.00pm

Speaker
Derek Adamson
Partner and Head of Occupational Health & Casualty, DWF LLP

Learning outcomes or Lecture review

- the law of causation in personal injury claims
- the history of policy coverage in mesothelioma claims arising
- from the exception to the normal rule of causation
- the ground-breaking nature and practical consequences of the Zurich v IEGL Supreme Court (2015) decision.

Derek Adamson, a Partner at DWF LLP and Head of Occupational Health & Casualty, will provide an update on the current legal position regarding mesothelioma claims following the recent Supreme Court decision in the case of Zurich v International Energy Group.
